HOT NEWS VOL. 27

NEW

ROCK HARD

HANDY SAW™

LC-650HSWD

The convenience of a utility knife meets the cutting power of a handsaw. Featuring a NICKEL PLATED™ Rust Resistant serrated blade in a compact cutter-style body, this handy saw is ideal for cutting wood and plastic.

The saw blade can also be used with other compatible bodies, while conventional cutter blades can be used with the same body.

NEW

ROCK HARD

HANDY SAW BLADE™

LCB-65HSWD

The serrated-blade is ideal for cutting wood and plastic. Integrates premium steel, Japanese-style tempering and multi-step sharpening to produce a dependable, solid feel and long-lasting cutting performance.
